# Structured Pathway to Confident Decisions

Building clarity and direction over 3 years, each stage scaffolding the next.

## 1 TRANSITION YEAR EXPLORATION

### WHO AM I?

Discover who you are, understand your strengths, build your skills, explore subject choice and research the world of work.

## 2 5TH YEAR DIRECTION

### WHERE AM I GOING?

PREPARE & GROW

Continue to explore who you are, improve your study skills, set realistic exam targets and research the wealth of career and educational pathways.

## 3 6TH YEAR DECISION

### HOW WILL I GET THERE?

DECIDE & ACT

Research educational supports, validate decisions, complete applications and prepare for a confident transition.

## The 4 Pillars of Support

Integrated hubs provide senior cycle support where students need it most.
