Student website 'Synthetica' nominated for SMEDIAS

Media website synthetica.ie has been nominated for [Website of the Year](#), in the National Student Media Awards (SMEDIAS). Additionally, two BCFE journalism students have been nominated in individual categories. [Jack Whelan](#) was nominated in the [Sports Writer of the Year](#) category. [Katie Hurley](#) has been nominated for her features in the [Journalism relating to Science and Technology](#) category.

About Synthetica

Synthetica is your new creative hotspot for everything from AI, entertainment, lifestyle, sport and much more. Brought to you by the talented second year students from BCFE's Ra-dio and Journalism courses. Whether you prefer to listen or love to read, we have something for everyone with a mix of written and audio articles! We have worked hard to give you a wide range of content, come on over and check it out!

GAMES & ANIMATION NEWS

Marcin Zapadowski wins 'Best Game Sting' at Animation Dingle

Game Design degree students at Ballyfermot Campus build original concept games around the theme 'passion'. All mini games feature the festival mascot, An Phiast.

Marcin's game is a bit of a treasure hunt, where players are tasked with finding items of local significance within the colourful backdrop of Dingle town at night.

For more information on our Games Design courses follow this link; [Games - BCFE](#)

FET Student on Washington Ireland Programme for Future Leaders Internship

Congratulations to Romey Farrelly. Romey will complete an internship in Washington this summer. So proud of Romey and this amazing accomplishment - a true ambassador for FET. This is the 4th year in a row we are the only FET provider to have a student on the prestigious Washington Ireland Programme for future leaders.
