

Junior Cycle Guidance Programme

Based on our extensive research with 2nd Level Guidance Counsellors, this **NEW** 3-year student book and online digital portfolio, integrates Guidance Related Learning Activities, Student Apps, Lesson Plans, Power Points, Kahoot's, and Videos.

The programme includes a focus on evidence-based practice to support the development of Junior Cycle Key Skills and Whole School Guidance provision supported by a comprehensive Scheme of Work.

REACH Junior Cycle Overview

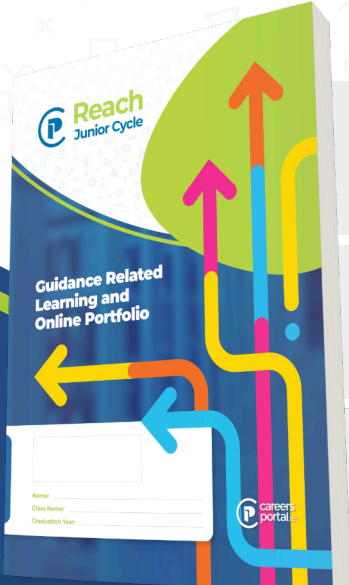

A suite of pen and paper and **online activities** for students covering 5 key areas, appropriately developed for Junior Cycle students:

1 About Me	2 My Wellness	3 My School Community	4 My Education	5 My Career Options
